

EXECUTIVE COMMITTEE MEETING NO. 9

Wednesday, 25 July 1962 - 8:30 a.m.

Present were: Mr. McCone
General Carter
Mr. Helms
Dr. Scoville
Colonel White
Mr. Cline
Mr. Kirkpatrick
Mr. Bross
Mr. Earman
Dr. Kent

Absent: Mr. Houston

1. SAMOS

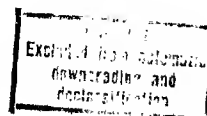

Dr. Scoville reported on three SAMOS ("201 Program") failures and assured the DCI that he is looking into each program as it relates or is integrated into the whole effort. He also commented briefly on Project LANYARD. Mr. McCone cautioned Scoville to be prepared and stocked with sufficient "packages" for future effort.

2. Global Rocket Assessment

Although Mr. Cline reported there is little intelligence, Mr. McCone requested Cline and Scoville to make current assessment.
